McLean VA 22101

Dear Doctor Motesharrei:

It is my pleasure to congratulate you and welcome you as a Fellow of The American College of Obstetricians and Gynecologists. Your Fellow status became effective July 1, 2006 and as of that date you are privileged to use the initials FACOG after your name. A certificate of Fellowship will be prepared and mailed to you. Your certificate will be printed with your name as it appeared on your application.

All Fellows elected in 2006 will be formally inducted into Fellow status during the Convocation at the 2007 Annual Clinical Meeting of the College, May 5-9, in San Diego, CA. We strongly urge that you take part in this ceremony.

As a Fellow you will receive *OBSTETRICS & GYNECOLOGY* the College's official Journal, the ACOG newsletter *ACOG Today*, and a variety of other publications. These publications, which will help you keep up to date with the latest developments in our profession, are included in your dues. Internet access is also available to you. As a member, we encourage you to register and visit the member side of our web site at www.acog.org to get an idea of the many opportunities offered, which include key word searches of the *Obstetrics & Gynecology* Journal, *ACOG Today*, Educational Pamphlets, Committee Opinions to name a few.

The success of your College depends on the ability to reflect the concerns of the Fellowship, and on the extraordinary voluntary effort on the part of Fellows who serve on committees and/or officers at the Section, District and National level. Your Section and District Chairman, as well as the National office, welcome your comments. Be an active Fellow. A prorated dues statement is forthcoming.

If the College may be of service to you, please write or phone.

Sincerely,

Ralph W. Hale, MD, FACOG
Executive Vice President
